To discuss Budget and set Precept for 2026/2027.

The Clerk had prepared forecast figures of receipts, payments and bank reconciliation up to 31st March 2026 (end of the financial year). The forecast receipts for the current financial year are £5,843 with payments of £7,316.09. This could give a overspend on the year of £1,231 with a projected balance in the bank of £2,873.62 on 31st March 2026. It was acknowledged that the Council had received unforeseen payments of £780 caused by having to move the website and e-mail to a different company and a number of grants to organisations had been awarded totalling £695.

The precept on a Band D property is currently £15.06. An increase in the precept of £1 would result in an extra £394. If the precept is not increased the total precept due to the Council for 2026/2027 would be £5,834.

Proposed by Councillor Teague, seconded by Councillor McIlveen and **resolved** that the precept should remain at the current level of £15.06 on a Band D property for the next financial year 2026/2027.

14.1 Councillor Bonnar advised that the next Community Liaison Meeting will be held on 22nd January 2026.

14.2 The Clerk advised that she had attended the meeting of the Western Vale Rural Community Councils Group in Cowbridge Town Hall on 15th December 2025.
The main purpose of the meeting was to discuss mainly their dissatisfaction with the operation of the Community Liaison Meetings and communication between their Councils and the Vale of Glamorgan Council. It was felt that the Charter between the Town and Community Councils needs to be reviewed and, possibly improved.
With regard to the Community Liaison Meetings and the representatives from the Police and Fire Service, it was felt that rather than detail, they would prefer to have trends between figures from month to month or quarter to quarter.
They want the representatives of Rural Town and Community Councils to have better representation.
Discussion then went onto the Town and Community Boundary Review and, in particular, the lack of information being provided to the Councils affected by the changes. It was confirmed that One Voice Wales is going to hold webinars in 2026 regarding this and that the Monitoring Officer at the Vale of Glamorgan Council has stated at a Clerks Meeting that she will hold a meeting dedicated to the item.
A Member of the Standards Committee was present at the meeting and he was meeting with Tom Bowring, Director of Corporate Services and Rhiannon Birch, Chair of the Community Liaison Committee the next day to discuss the Western Vale Community Councils group. The Clerk had a copy of informal notes from that meeting which would be e-mailed out to Members for their information.
